Winter into Spring

You can use any visual art material you enjoy.

Designing and Making Your Picture

01

Important Questions to ask yourself or discuss with other people.

- What pictures come to mind when I think of the idea of Winter Into Spring?
- What does the idea of Winter Into Spring make me feel?
- Are there particular colours connected with it?
- Are there sounds or words?
- Are there people?
- Are there animals, birds, bugs, trees, water, nature?
- Is it about the activities we do in different seasons?
- Stew or salad?
- Bare trees or bursting leaves?
- Warm fire or fresh air?
- Wooly socks or sandal feet?

02

Once you have decided what your picture will be about think about the subject (what is in the picture) **and the composition** (how the things in the picture are arranged).

- Will your picture be abstract or realistic?
- Might it include symbols or signs?

Use this word chart to help:
